

LC-EX-ISL3416

ATEX Certified Load Cell, Tension / Compression,
20KN (2000kg), Hermetically sealed, loop-powered
with 4 - 20mA output, 0.05%

FEATURES

Explosion-proof Load Cell
EX certified - hermetically sealed
load cells for tension and compression, 2 ton
Suitable for the oil industry and the like.
Loop-powered with 4-20mA outputs signal
Precision: 0.05%
