

5-Port 10/100/1000BASE-T Gigabit Ethernet Unmanaged Switch - Bandwidth 10Gbps.

FEATURES

5-Port 10/100/1000BASE-T Gigabit Ethernet Switch
Plug-and-play operation without software installation.

VLAN isolation to prevent multicast or broadcast storms.

10 Gbps bandwidth and 9K jumbo frame support.
Features IEEE 802.3az energy efficient Ethernet standards.

Silent, compact and durable design.

Dimensions: 155 x 86 x 26 mm

Power supply: 5V DC, 1A

SPECIFICATIONS

LED	:	One for Power, Two for 1000 & Link / Act per port
Luftfugtighed	:	5 til 95% (non-condensing)
Standarder	:	IEEE 802.3: Ethernet, IEEE 802.3u: Fast Ethernet, IEEE 802.3ab: Gigabit Ethernet, IEEE 802.3x: Full-duplex flow control, IEEE 802.3az: Energy Efficient Ethernet
Strømforsyning	:	5V DC, 1A
Operating Temperature	:	0° to 50°C
Bandwidth	:	10 Gbps.
Weight	:	317g
Dimensioner	:	155 x 86 x 26mm
