

5-Port 2.5G Multi-Gigabit Ethernet Desktop Switch FEATURES

- 5-Port 2.5G Multi-Gigabit Desktop Switch
- 5x 2.5Gbps Ethernet ports 25 Gbps switching capacity
- Layer 2 unmanaged switch Desktop form factor with metal housing
- IGMP Snooping & QoS
- flow control Energy-efficient
- fanless design
- Plug and play installation
- Ideal for Wi-Fi 6 applications 802.3az energy-efficient
- Ethernet support Performance varies with conditions
