

CNV232-485I

Insulated RS232 for RS485 converter for DIN rail mounting

FEATURES

- RS232 for RS485 converter
- Opto-insulated
- Galvanic isolation between DC input and RS232 port
- Supply voltage: 9 - 50VDC, 10 - 34VAC
- Automatic flow control
- Up to 1.2km Built-in Termination Resistance - Can be Disconnected
- Screw Terminals
